

# Oral Introduction

## Chapter 10 What Does the Tokyo Skytree Tell Us?

The new broadcasting tower named Tokyo Skytree was completed in 2012. It is the world's tallest tower. Have you ever been there? Many tourists visited the Tokyo Skytree since its opening. People who visit observation floors can enjoy splendid views of the Kanto Plain.

In this chapter, we'll learn about what part the Tokyo Skytree plays and what meanings the design and the lighting designs have. After learning this chapter, you will be proud of Japan's latest technology and respect craftsmen. Moreover, you will be proud of this huge tower.
