## **Lesson 1 Self-Introduction**

教科書 ▶ p.9 別冊 ▶ p.1

| Speech |
|--------|
|--------|

You are going to make a speech about yourself. It should include information about your dream for the future

| . Make an outline.                                      |
|---------------------------------------------------------|
| ▶Opening (Greetings, name)                              |
| ▶Body (Favorite things, activities, future dream, etc.) |
|                                                         |
|                                                         |
|                                                         |
|                                                         |
|                                                         |
| <b>▶</b> Closing                                        |
|                                                         |

| 2. Write a speech based on the outline.                                                             |
|-----------------------------------------------------------------------------------------------------|
| ·                                                                                                   |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
| 3. Practice the speech alone, then with your partner. If necessary, prepare an outline with keyword |
| 4. Deliver the speech to your classmates.                                                           |
| COMMENTS                                                                                            |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
|                                                                                                     |
