Q1: Getting “in the zone” during a sports game is important for victory.

Q2: It is practice and repetition.

(対話例)

A: What is the best way to get “in the zone” during a sports match?

B: I think it’s practice and repetition.

A: Can you tell me why?

B: It’s because the last sentence says, “Practice and repetition will help you achieve it and bring you success,” and “it” refers to “a higher level of play”.

We can see from the context that “a higher level of play” is achieved when you “get in the zone”.

A: OK, I think so too.
